

English Setter Association Open Show

4th July 2021

My thanks to the Officers and committee of the ESA for inviting me to judge at this prestigious Breed Club – a great honour. Also to my steward who kept things in order and most of all to the sporting exhibitors. I had my first English Setter over 40 years ago and have admired the Breed ever since so it gave me enormous pleasure to judge them today. From the entry today breeders are to be congratulated for keeping true ES type as set out in breed standard. Mouths and front construction need keeping an eye on.

Dogs: Minor puppy (1) 1Tuckers Mariglen Nightwish for Walshaw 6mths old and full of confidence. Well off for bone, level topline and good body proportions. Well balanced head at this age with dark eye giving kind expression . Moved straight and true, using his tail.

Veteran (1) 1.Kings Dobbie's Delight at Grantastar 7 yr old presented in lovely coat and condition. Dark eye and super black nose with correct wide nostrils. Excellent front and rear angulation, deep brisket. Correct short tail. Movement a little loose today.

Junior (1) 1.Wilkinson's Phenset Firestorm Well balanced 14 mths not overdone in any way. Loved his long neck and flowing setterly outline. Well ribbed up. Well proportioned head with correct stop and depth of muzzle. Thought he could do with more bend of stifle when stacked but once on the move he relaxed and used his back end and hocks correctly.

Maiden (5) 1.Schoneville&Derry's Balvenie Blue Sensation 20mths Level topline . Correct reach of neck into very good shoulder angulation. Liked his back end with well bent stifles and hard muscling to thighs. A little strong in skull. Went pretty well.

2 Gibbins&Bennett Goldbirch Swashbuckler Nice head with oval skull and correct stop, dark eye. Not quite the reach of neck of 1. Another one with deep chest and excellent hind angulation.

3 Ciaputa's Wansleydale Skyfall

Novice (5) 1. Pearson's Sunsprake Close to the Edge at Yessandi 19mths and out of practice as to be expected. He did enough to show his correct setter outline. Long reach of neck into well laid shoulders . Well bent stifles. Liked the balance of his head for age

2. Wilkinsons Phenset Firestorm

3. Schoneville&Derry's Balvenie Blue Sensation

Graduate (6) 1. Owen Cornset You my everything Lovely bone and substance with flowing outline. Deep in brisket and well ribbed back. Liked his angulation front and rear. Balanced head with dark eye and correct bite. Carried himself well on the move. Very well presented.

3. Arkley's Hartsett Last Waltz

Open (4) 1. Williams Bournehouse Secret Admirer BD & BOB Outstanding young dog who really drove round the ring using his hocks and well angulated hindquarters. His front movement was equally good with no sign of the pinning seen in many today. He is not a big dog but so well balanced and a great combination of quality and substance. Beautiful head with kind dark eye. Short level back. Well developed forechest and spring of rib essential in a galloping breed. Wide in loin giving real strength. Very happy on the move and full of exuberance to give his handler quite a hard time but enough control to demonstrate his many qualities.

2. Cole's Sorbus Storm Ryder JW A bigger framed dog and slightly longer cast than 1 but all in proportion and another good mover. Reachy neck into good shoulders. Level topline. Correct bend of stifle. Dark eye giving beautiful kind expression.

The English Setter Association

Sunday 4th of July 2021

My thanks to the Officers and committee of the English Setter Association for inviting me to judge the Specials – it was a very enjoyable day with a great atmosphere. Weatherwise it was certainly one of my more dramatic appointments.

Class A: The Patricia Gardiner-Swann Memorial Special Award Junior (5)

1 Dobbie's Tattersett Swiss Storm at Suthron. Blue Belton bitch, 17 months. Very feminine, and so pretty. Nicely made, excellent topline and rear angulation. Was a sound, positive mover.

2 Grimsdell, Stewart and Quenby's Tattersett Rainswept. Blue Belton bitch, 17 months. Litter sister to 1, more mature and more substantially made, she was another quality girl. In lovely coat – just not as positive on the move as her sister.

3 Bryant & Bryant & Hollis' Phenset Final Fantasy

Class B: The Jack Bowen MBE Memorial Special Award Open (10, 1A)

A class that was full of quality, unfortunately the stormy downpour that delayed the start did appear to put a lot of the dogs off their stride.

1 Bryant & Bryant & Hollis' Silvamoon Strom Trooper for Phenset JW. Blue Belton and Tan Male, 3 years old. Has the most melting of expressions, well handled and presented in beautiful condition and coat. Very well made throughout – good feet, excellent shoulders and rear angulation, made a very pleasing picture. Moved steadily with drive.

2 Sharples' Mariglen Serendipity at Kanietter JW. Orange Belton bitch, 3 years old. Quite the character, and the best mover in the class – driving out and her tail never stopped. Lovely head and expression, feminine with substance with a lovely outline and shown in beautiful coat.

3 Schoneville & Derry's Balvenie Blue Sensation
